

Addendum No. 1
Sand Yard Materials and Debris Removal
Contract No. 0607-142
PWP #WA-2007-192
March 26, 2007

Below are a corrections/ clarifications for the above referenced project. The bid dates and times remain the same.

Proposal Summary:

1. The first two pages of the Proposal Summary are provided to replace the existing PS-2 & PS-3 of the Proposal Summary in the bid document. Bidders are required to submit the entire proposal summary (Pages 1 – 14) which includes the bid bond. The revised pages PS-2 & PS-3 are attached and labeled “Proposal Summary, Addendum No. 1”.

Supplementary Conditions / Scope of Work:

2. Page 3 of 4 add the following below the “TMWA Hauls spoil into Yard from TMWA approved projects and the successful contractor is required to screen to separate debris areas from screened material” Section
 - o TMWA will provide the screen for screening this material.

TMWA Link for Specification Requirements:

3. http://www.tmh2o.com/customer_services/new_construction/standards/?s=5

Clarification: the work under this project must be completed at least Bi-weekly. The contractor must be on site at least once every two weeks.

There is an existing sprinkler system at the yard for dust control. A water truck may only be needed occasionally during the winter. Each bidder may include the possible use of a water truck in the screening price. Additional compensation will not be granted if a water truck is needed.

End of Addendum No. 1

Proposal Summary Addendum No. 1

March 26, 2007

NOTICE: No substitution or revision to this Proposal Summary form will be accepted. Truckee Meadows Water Authority will reject any Bid that is received that has changes or alterations to this document. Although the Prevailing Wages are provided in this bid document, the bidder is responsible to verify with the Labor Commissioner if any addendums have been issued. If different, the successful bidder will be required to provide the current Prevailing Wages used in preparation of their bid within 24 hours of bid submission.

BIDDER acknowledges receipt of _____ Addendums.

(signature)

SUMMARY

All quantities are estimated for bid comparison purposes. The contractor will be paid based on the quantities actually fulfilled. (The quantities provided below are from actual usage for a six month period from August 2006 to January 2007 multiplied by 2 to estimate the yearly usage.) This is the first time we have looked at having a contractor deliver material to a site, so we used 1 for comparison purposes. A load is a 20 Yard load. The hours of operation for this project are normal business hours 7am – 4pm Monday - Friday.

| Description | Estimated Usage | Unit | Unit Price | Total Price |
|--|-----------------|--------------------------------|------------|-------------|
| Haul Off of screened material to fill site | 230 | Per Load | | |
| Haul Off of debris to the dump | 120 | Per Load | | |
| Sand Provided & Delivered to yard | 3500 | Per Ton | | |
| Sand Provided & Delivered to job site | 1 | Additional cost per Truck Hour | | |
