Truckee Meadows Water Authority (TMWA) is accepting sealed bids for all labor, materials, equipment, and incidentals required for the installation of approximately 815 LF of 6 and 8-inch Pressure Class 350 Ductile Iron pipe in common trench with gas (Burns St. and Wheeler Avenue); installation of approximately 1375 LF of 6 and 8-inch Pressure Class 350 Ductile Iron Pipe alone, installation of approximately 36 LF of 12-inch Pressure Class 350 Ductile Iron pipe, complete with all required valves, fittings, and appurtenances; connection to existing water mains by hot tap at eight (8) locations; connection to existing 4, 6, 8 and 12-inch water mains at 19 locations; installation of 1-4-inch, 20-6-inch, 9-8-inch and 1-12-inch gate valves; reconnection of 4 existing fire hydrants; cut and cap existing water mains; transfer 45 existing domestic services (¾-inch to 2-inch) to existing 8-inch Cast Iron or 12-inch TR main, reconnection or replacement of 25 existing services (¾-inch to 2-inch); protection of new water mains at sanitary sewer and storm drain crossings; installation of test stations; abandonment of existing valves and water mains; and temporary and permanent asphalt concrete (AC) patching.

Concurrent Bid By Sierra Pacific. Sierra Pacific Power Company (“Sierra Pacific”) intends to construct, relocate or replace certain gas facilities (the “Gas Project”) in approximately the same location as the work bid by TMWA hereunder, and the scope of work in both projects includes numerous identical trench work. For informational purposes, the plans attached to this bid identify the facilities Sierra Pacific is bidding in the Gas Project. It is in the best interests of both entities, to the extent feasible, that one contractor be used to perform both projects, and that where possible the costs of the mutual trench work be shared. Concurrently with TMWA’s bid, Sierra Pacific has issued separate bids for the Gas Project. Sierra Pacific desires that all bidders responding to TMWA’s bid also respond to Sierra’s bid for the Gas Project to optimize coordination of these projects between TMWA and Sierra Pacific and contractors are encouraged to bid both projects. Sierra Pacific will process, award and contract bids for the Gas Project separately in accordance with Sierra Pacific’s bid and such other requirements imposed by Sierra Pacific. TMWA will process, award and contract bids on TMWA’s project separately and in accordance with the terms of this bid. TMWA may, in its sole and absolute discretion, enter agreements with Sierra Pacific to optimize coordination of the projects, which may include, without limitation, cost sharing or other agreements related to the work bid hereunder. **All bids submitted to TMWA should be limited to the scope of work identified in TMWA’s bid – any bids for the Gas Project must be separately submitted to Sierra Pacific, and will not be considered by TMWA for purposes of TMWA’s award.**

A DOCUMENT DEPOSIT is required due to Homeland Security issues. TMWA is responsible to ensure that Plans and Specifications are returned after a project is bid. Contractors are required to return the complete plans and specifications to TMWA within thirty (30) days of project bidding.

In an effort to simplify administrative procedures for both TMWA and our contractors, we are instituting a new policy for all future projects. A \$250.00 (“Homeland Security Document Deposit”) will be required the first time a contractor bids on a project. The funds will be deposited into a TMWA account. If the plans and specifications are returned to TMWA, the funds will be retained for future projects. Interest will accrue for the period of time the deposit is held. Your deposit and interest are refundable at any time upon written request.

If the plans & specifications are not returned to TMWA, your deposit will be retained by TMWA and you will be required to submit a new deposit for the next project. If you have more than one set of plans that are not returned, TMWA will bill you for the balance at \$250.00 a set and you will not be permitted to bid on future projects until your balance is paid and a new \$250.00 deposit is submitted to TMWA. Be sure to include your company name, phone number, fax number, and address on your check.
